Directions: In this section of the test, you will read FOUR different passages, each followed by 10 questions about it.  
For questions 1-40, you are to choose the best answer A, B, C or D, to each question. Then, on your answer sheet, find the number of the question and fill in the space that corresponds to the letter of the answer you have chosen. Answer all questions following a passage on the basis of what is stated or implied in that passage.  
You have 40 minutes to answer all the questions, including the time to transfer your answers to the answer sheet.  
**Example:**  
Read the following passage:

**FALL WEATHER**  
One of the first things we look for in fall is the first frost and freeze of the season, killing or sending into dormancy the beautiful vegetables you admired all summer long. For some locations along the Canadian border, and in the higher terrain of the West, the first freeze typically arrives by the middle part of September. Cities in the South may not see the first freeze until November, though a frost is very possible before then. A few cities in the Lower 48, including International Falls, Minnesota and Grand Forks, North Dakota, have recorded a freeze in every month of the year.

0. When does the first freeze often arrive in the South?  
A. Early September B. Mid September  
C. November D. Before November  
You will read in the passage that "Cities in the South may not see the first freeze until November"; so the correct answer is option C. **November**.

**PASSAGE 1 - Questions 1-10**

Ever wondered what it feels like to have a different job? Here, four people with very different careers reveal the trade secrets of their working day.

**Luc**  
**My day typically starts with a business person going to the airport, and nearly always ends with a drunk.** I don't mind drunk people. Sometimes I think they're the better version of themselves: more relaxed, happier, honest. Only once have I feared for my life. A guy ran out at a traffic light and so I sped up before his brother could run too. He seemed embarrassed and made me drop him at a car park. When we arrived, the first guy was waiting with a boulder, which went through the windscreen, narrowly missing my head. But the worst people are the ones who call me "Driver!"

**Harry**  
I not only provide appearance for my client, I also do damage control. We've had clients involved in lawsuits, divorces or drugs. One mistakenly took a gun to an airport. On the red carpet – at the Academy Awards or the Golden Globes – I'm the person making my client look good. The other day at an Oprah
